Lyrics copyright © 1986 Matthew Zuckerman; music copyright © 1986 Richard Evanoff

Time 2/4 — Keys Gm (1st verse + chorus), G#m (2nd verse + chorus), Am (3rd verse + chorus) — No capo

1.           Gm (G#m/Am)   C7 (C#7/D7)  
          You say that I look beautiful
- Gm (G#m/Am)       C7 (C#7/D7)  
          Every time you take me out
- Gm (G#m/Am)       C7 (C#7/D7)  
          That you're the kind of guy my no good kind of girl
- Gm (G#m/Am)   C7 (C#7/D7)  
          Could never ever do without.
- D7 (D#7/E7)  
CHORUS: You come on like you're carrying me
- C7 (C#7/D7) Eb7 (E7/F7)  
          On the wings of a dove
- D7 (D#7/E7)   Eb7 (E7/F7) Gm (G#m/Am)  
          But underneath it's bootlegger love.
2.           You dragged me off the street one day  
          I wasn't even sweet sixteen  
          You turned my head with the clothes you wore  
          And the places you had been. (CHORUS)
3.           You got pictures of Picasso  
          You got silks from Pakistan  
          Your desktop is mahogany  
          Your pearls are from Japan  
          Tuxedos and designer jeans  
          And shoes from Italy  
          You got everything a man could want  
          And you think that you got me. (CHORUS)
