Time 2/4 — Key G — No capo

INTRO: G C Am G C Am

1. G C/G D Cma9
Baby, I see you standing there
G C/G D Cma9
Soft brown eyes, jet black hair
G C/G D Cma9
And nothing seems to help
G C/G D Cma9
Cuz every time I see you I think to myself
G D/F#
Baby, I love you
Em C
Baby, I need you
G D/F# Em C Em C
Baby, I want you tonight.

2. Love's sometimes fickle and it's sometimes vain
Like a star in the night it can burn so bright and then just fade away
But when it's here with you
There's really nothing you can say, anyway
Except baby, I love you
Baby, I need you
Baby, I want you tonight.

3. It's really so simple till it's put into words
Just a thing called love, and I wish it would pass
No, I wish it would stay
And I know you feel the same
But, baby, am I the one you're thinking of?
Baby, I love you
Baby, I need you
Baby, I want you tonight.
