1. D A/D G/D D  
Were you there beside him on the day that he died

D A/D G/D G  
There's no place left to run to, no place you can hide

D A/D G/D G  
Whatever you see on the surface, it's all the same inside

G D/F# Em G D  
And the Lord is the shepherd I want.

2. Climb to the top of the highest mountain and tell me what you see  
I'm standing right beside you but you might see it differently  
Might use the same words but oh so erroneously  
And the Lord is the shepherd I want

BRIDGE: A Asus G D/F# (D/F# G)  
Don't want no bloody revolution

A Asus G D/F# (D/F# G)  
Don't want no worn out excuse

A Asus G D/F#  
Don't want no moral evolution

G D/F# Em G A Asus  
No, the Lord is the shepherd I want

3. People talk of peace as if they've tasted it before  
Think that they deserve it, that it's written in the stars  
Why is so hard to be what we already are  
And the Lord is the shepherd I want
