Time 4/4 — Key E — No capo

INTRO: Free-style lead (E pentatonic)

1. E E6 E E6 A A6 A A6 E E6 E7 E E6 E7  
It's so exciting to sit here alone and watch TV

A A6 A A6 A A6 A A6 E E6 E7 E E6 E7  
Instead of living my own life I let the TV live my life for me

B7 B7/F# B7 B7/F# A A6 A A6 E E6 E7 E E6 E7  
I'm the star of my own sitcom; I've become my own celebrity.

2. It's so exciting dancing solo all night at the rave  
My mind is blown on ecstasy; the world's nothing but a haze  
No need for social struggle since I know I am already saved.

3. It's so exciting making love with no one but myself  
It's self-fulfilling; I don't need to worry 'bout my health  
And when the whole thing's over put the tissue box back on the shelf.

4. It's so exciting writing poetry on my PC  
I can publish every poem I write using my own DTP  
Get fabulous reviews because the only one who reads the stuff is me.
