Time 2/4 — Key G — Open D tuning with slide — No capo

INTRO: G Bb F C G Bb F C

1. G Bb  
Just set out the other night

F  
Hitching a ride

C G Bb F C  
All the way to Mexico

G Bb  
Counted the stars overhead

F  
As I made my bed

C G Bb F C  
Beside the open road

Bb F  
Now leaving ain't that hard

Eb Bb F  
You just walk any day of any month

Bb F  
Then comes the hardest part

Eb Bb C  
Trying to figure out just what you want

G Bb F C G Bb F C  
On the road.

2. There once was a time  
When I made up my mind  
I was gonna settle down  
I had me a wife  
And a pretty good life  
And a good job in the town  
Then one day I was gone  
I just up and left and didn't say goodbye  
Now I'm searching for my home  
Wand'ring underneath the deep blue sky  
On the road.
