VERSE: G Dsus/F# Cma9 G/B G D/F# Cma9 G/B
I wish upon a shooting star falling from above

G Dsus/F# Cma9 G/B G Cma9 D/F#
Letting go is hard to do when you've found the one you love

Cma9 G/B D/A G Cma9 G D/F#
Eternity is much too short for all that I hope for

G Dsus/F# Cma9 G/B G D/F# Cma9 G/B
But if it's time for you to leave I guess you have to go.

CHORUS: C/E G/D D/F# G
All I want is to be with you

Cma9 G/B Am7 G
You know you make my dreams come true

C/E G/D D/F# G
But if you've found another way

C G/B D/A G C/E G
I'd never try to make you stay
