The **40/8 Society**, formally known as ***La Société des Quirante Hommes et Huit Chauvaux*** (**The Society of Forty Men and Eight Horses**), is a unique and historic veterans' organization founded in 1920 by American Legionnaires.

The name "40/8" comes from **French WWI boxcars** that were stenciled with "40 Hommes/8 Chauvaux," meaning they could carry **40 men or 8 horses**. These cramped boxcars transported American troops to the front lines and became a symbol of shared hardship and camaraderie.

The upcoming October program will focus on **The Pact Act** and how it provides generations of veterans and survivors with care and benefits they've earned.

Need a RIDE?
One Call, One Ride
presented by Common Courtesy, Inc

Many people in the Atlanta area know of Common Courtesy who has built highly functional systems in healthcare and community services, ensuring that transportation doesn't become a barrier to critical needs. But for many people, the cost of transportation—even with these systems—remains personally challenging or even prohibitive. Common Courtesy believes that with the support of generous donors and community partners, large and small, this barrier can be eliminated.

Now is the time for you to actually get discounts (on ride fares above \$10) on all rideshare trips in the future, no trips limit, so that you can live a healthier life without barriers!
