Community Announcements:

Wolf River Lutheran High School is inviting families with students in grades 6-12 to join us for **The Great ReWiring of Children** – a presentation on the dangers of technology and cell phone usage in our youth as discussed by Jonathon Haidt, the author of the book, The Anxious Generation. This will be an enlightening (and somewhat scary) presentation and discussion. Let's take a closer look at how we can raise discerning, Christian youth in this age of technology. Join us on Tuesday, April 22nd at 7pm at WRLHS.

District Announcements:

Lutheran Church Extension Fund is a servant partner of the LCMS, offering exclusive access to low-interest loans for congregations, schools, RSOs and rostered church workers to build new facilities, update existing infrastructure, support new ministries and purchase homes. These loans are funded by our thousands of faithful investors – both individuals and congregations alike – who take advantage of our competitive deposit accounts, term notes, health savings accounts and IRA options.
