
THE SON TIMES

Newsletter of St. Paul & Immanuel Lutheran Church-July/August 2025

We continue our mid-week worship at Immanuel, at 7 pm on Wednesday's, running until Aug. 20.

We are looking again at going as a parish to a TimberRattler's game. Through WTCH, we can get a discount of \$5/ticket (making them \$9). We are looking at Sunday, August 3 (1:10 pm), as they have \$.10 hotdogs all game! Look for the sign-up sheet and add your name ASAP.

Be sure to come by the brat barn at Charlies August 21-23 as Immanuel will be selling food. Be sure to sign up to help out.

Thanks to all at St. Paul who helped out in June!

Our Annual Joint Parish Picnic is set for Sunday, August 10 at Immanuel @ 10 am. We will gather for worship and then for dinner. Hope to see a HUGE turnout as we take this time to worship our God and celebrate our life together as a parish. This is a perfect time to invite those members who have been missing or a neighbor that has no church home.

Our summer "Kid's Day at the Park" is set for Monday, August 4 at Cedar Park in Bonduel, starting at 5 pm. We will plan something to start thinking ahead to SS, but our main focus will be food and swimming! All kids in the parish & outside-are invited. If you have any questions, speak to PC

Be sure to check out Pastor's sermon on the radio each Sunday morning at 7:30 am on WTCH. Cost to sponsor a week is \$60 and can be signed up and paid at either congregation.

Quarterly Voter's Meetings are planned for July 27 after worship at both St. Paul & Immanuel. Make sure to attend. Council meetings will at on July 14 at SP & July 20 at IM

This fall, we are looking to start two new and different adult education/Bible studies that will continue to grow and deepen our faith and understanding of the Christian life. As we continue along in (what has become) our in-depth Bible study on Romans, we will begin a new study on the Gospel of Matthew, which (Pastor promises!!!!) will seek to finish up in a year (or 2).

Continuing our Sunday Adult Education time, as we've finished up the Catechism and LCMS history, we will begin the year (using video, supplemented by lecturing) with learning about the history of the Christian Church. After this, we will move to looking at our worship and liturgy, learning about what we do on a Sunday morning and why we would do it.

All these classes are meant for every member of the parish-young or old; new or experienced-everyone should consider coming to the classes so that you may grow in your faith and comprehension of what we say when we confess and sing of our God. Please let Pastor know what day(s) and time would work best.

You may have noticed the confirmation pictures are now on display at Immanuel. We are looking for copies of pictures that you may have that we are missing-talk with Tasha to see if you can help out the church to provide a full range of our history.
