From the District: "Congregations receive God's love and mercy in worship. Pastors craft sermons to bring Christ and His Word to their people. Pastors and their members sometimes also feel like they are treading water, or know they want to move forward but are not quite sure what to do. Small Church Clarity (meaning congregations with up to 200 people per week in worship) is a four-week event that will lead congregations to develop and implement a plan for ministry. A cohort of churches is beginning this fall, and a new cohort (six-eight congregations) in the spring of 2026. We give thanks for our partners at LCEF for leading the training, and the NWD Board of Directors for providing the funding to cover the cost." If there may be any interest in people at the parish participating, let PC know.

As noted at the district convention, "We are blessed to have another 3 year agreement with our friends at MinistrySafe. Through December 2027 any NWD ministry can provide sexual abuse awareness training to its staff and volunteers at NO COST, thanks to the generosity of the NWD Board of Directors." This would be good for anyone who is involved in education and leadership. Speak to PC for more info.
