What are you hoping to achieve from tree planting on this site (please tick at least one box):

- Shelter Screen Shade
- Landscape Ground stabilisation
- Wildlife Noise abatement

Other (please detail)

Why do you believe tree planting on this site is appropriate?

Are you under an obligation to plant trees and/or hedging eg as a condition of planning approval or change of use?

What are your plans for the maintenance and aftercare of newly planted trees/hedging?

Are you willing to enter into a Site Owner's Agreement with Guernsey Trees for Life?

Are you able to contribute anything towards the planting of the site? eg:

Labour/Other

Finance

Are you agreeable to Guernsey Trees for Life advising on the species to be planted on your site?

Please outline boundaries of site on a map, indicating the approximate area of potential planting, and/or length of boundaries (please contact us if you need a map).

Please return your application to: Technical officer, Guernsey Trees for Life, Sandringham Villa, Le Bouet, St Peter Port, Guernsey, GY1 2AX OR scan/photo this form & email to: gsytreesforlife@gmail.com. After we receive and register your form a member of Guernsey Trees for Life will contact you to assess the site. Submission of this form does not guarantee that planting will be done. Once your site is assessed and, if it meets the criteria we apply, we will endeavour to plant/supply trees/hedging at the next available opportunity. Please note this may mean carrying forward supply/planting to the next season.
