

## Snack and Resources - Consumables charge

As you are probably aware, funding from the Government has become tighter in the Early Years sector. The funding that we get is not expected to cover snacks/ resources (paper, glue, playdough, suncream, wipes etc). Just like others, we have also had rent increases and staff wage rises. Therefore, we charge a small consumables fee at £1 per session for those children who are in receipt of funding. This will be invoiced to you prior to the term beginning. (£2 a day if your child stays for the full session).

Please speak to either Mel or Trudy should you need any support with this or have any further questions.

We thank you for your understanding in this.

Please sign here to acknowledge you understand the consumables charge
