WELCOME

We hope everyone has had a lovely summer and we look forward to welcoming you all back to preschool and also welcoming lots of new faces into our preschool community. Our first day back at preschool will be:

MONDAY 8th SEPTEMBER 2024.

All children need a NAMED water bottle and spare clothes each day. Please ensure you bring appropriate clothing for all weathers. We appreciate this is difficult to judge in our ever changing British weather but we will be outside every day.

OFSTED!

[Find our report here](#)

We had our first OFSTED inspection in our final week of summer

and are delighted to share the report with you all (see link above). Please give it a read if you have a chance!

LEARNING THIS TERM

Our main aim this term is to settle the children into or back into the preschool routine. We are very excited to hear about their adventures over the summer and will take inspiration from their stories. We will look further into what makes us unique and the skills we have. We have an 'All about me' resource for the children in preschool. We encourage you to share any pictures that may be relevant to your child. (Common themes are family photos, recent holidays or favourite toys) These create wonderful talking points within the group and allows children to share experiences with others. Please feel free to email or whatsapp these and we will print them off.

NEW FACEBOOK GROUP

Each year we create a private facebook group for the parents of this year's cohort of children. We share pictures and updates weekly so please follow the page. This year we will be known as the South Milford Preschool Adventurers which you can search and request to be added. If anyone is having trouble with this please let us know..
