

# Photographic Material Consent

Gosport Gators Netball club

# Policy

By joining Gosport Gators Netball Club you consent to the taking and use of photographic material whether that's you as a member or as a parent of a member. Material will be used for publicity avenues such as our website or social media groups. Everyone associated with the club should make every effort to control the taking and use of material by third parties wherever possible. For example, if an opposing team wants to take footage that involves our members a conversation needs to be had regarding the reason for the footage and where it will be used. It is essential that the footage does not involve any member that has 'opted out'.

## OPT OUT

**If you would like exercise an 'opt out' please complete the below :**

I **do not** give consent for photographic material to be taken and used by Gosport Gators Netball Club.  
I understand that the club may not have control of material used by third parties.
