PICK PAY COOK ENJOY

First choose your meal or snack and pay using the FFV vending machine. Cook from frozen with the innovative Convi oven. Simply scan the product bar code to the Convi oven, place the product into the oven and press start.

Each Convi Cuisine frozen meal has a bar code that contains the precise cooking Instructions for the powerful Convi oven. This allows each dish to be consistently baked to perfection, every time. Convi oven will beep when complete, simply plate, as below and enjoy!
