

Trophies competed for Annually

The WCSAC aims to cater for both the competition angler and the specimen hunter, therefore there are a vast array of trophies awarded annually. The following competition trophies & shields are awarded annually on the basis of the club competition programme:

Overall Club Champion

For the highest aggregate of points from all available competitions.

Overall Women's Club Champion

For the highest aggregate of points from all available competitions.

Guernsey Shore Champion

For the highest number of points scored during the Guernsey Shore competitions.

Herm Champion

For the individual angler based on the most points scored in Herm competitions.

Herm Pairs

Awarded to the declared team of two anglers who accumulate the highest points score in Herm competitions.

Winter League Champion

To the angler who attains the highest percentage score of specimen fish during the winter period as specified in the aforementioned winter league rules.

Winter League Pairs Champions

awarded to the declared team of two anglers who accumulate the highest percentage score during the winter period as specified in the aforementioned winter league rules.

Summer Boat League Champion

To the angler who attains the highest percentage score of specimen fish during the summer period as specified in the aforementioned summer league rules.

Summer Boat League Pairs Champions

Awarded to the declared team of two anglers who accumulate the highest percentage score during the summer period as specified in the aforementioned summer league rules.

All the above have runner-up trophies status.

Specimen Awards and Miscellaneous Trophies

Specimen cups and shields are presented to the best specimen fish in the following categories which can be caught outside of competitions between January and December provided a weight certificate is presented to the fish recorder, or they are weighed on club scales.

Trophies awarded to best percentage:

Bass (Shore, Boat)
Black Bream
Cod
Conger
Garfish
Pollack
Red Mullet
Sole
Thick Lipped Mullet
Ballan Wrasse
Ray (Shore)
Bull Huss (Shore and Boat) and the Heaviest Fish.

Best % Shore Caught Bream

Awarded to the angler with the highest percentage Bream (over 1lb) caught during the calendar year.

Flattie Cup

Sponsored by Mick's Fishing Supplies and awarded to the best percentage flatfish based on the current Bailiwick record.

Harbour Cup

For the most points scored in that competition. Points are to count towards the club Guernsey Shore Competition.

New Carlton Shield

Presented to the angler with the best individual points score in an allocated Guernsey Shore all night competition.

The Tackle and Accessory Trophies

a) the best specimen fish caught in a competition and

b) the best specimen fish caught outside of a competition and are calculated against current Bailiwick records at the time of capture.

Famous Grouse Trophy

Awarded to the most points in a single shore competition.

The Tony Trophy

Given to the person who lands the best percentage fish based on Bailiwick records caught in Herm at anytime, in competition or otherwise.

The Island Trophy

Presented to the angler with the best individual points score in the Island competition

The Vermin Cup

Awarded to the angler with the highest percentage Common Eel, Dogfish or Rockling caught during the calendar year.

Catch & Release Trophy

To be certified on club scales, awarded to the angler which the committee consider has practiced the best catch and release effort with a specimen sized fish.

Fish of the Month and Quarterly Vouchers (donated by Mick's Fishing Supplies)

A Fish of the Month voucher is awarded to the best percentage fish caught during a club competition.

A Fish of the Quarter prize is presented to the angler who catches the best specimen fish (on a percentage basis) caught in or outside of a club competition.
