Shark's (Catch and Release)

With the exception of Tope please present photographic evidence to the fish recorder for all other sharks. Photographic evidence of Tope is only required if a witness is not present, this must include clear evidence of the measurement.

Tope - to be measured from the tip of the nose to the fork of the tail requiring a measurement of 120cm. In the absence of a witness please forward photographic evidence to the fish recorder. Tope will be awarded 30%.

Blue Shark - Catch & release from alongside the boat, with a photo of the fish that must be clear enough for identification purposes. Blues will be awarded 50%

Porbeagle - Catch & release from alongside the boat, with a photo of the fish that must be clear enough for identification purposes. Porbeagles will be awarded 50%

All other sharks - Catch & release from alongside the boat, with a photo of the fish that must be clear enough for identification purposes. All other sharks will be awarded 75%

Please note even when a fish is returned to the scales for weighing the weight awarded will be by percentage detailed above.

Undulate Ray 45cm

Undulate Ray are to be measured by wingspan at a length of 45cm to qualify for the Summer League and will be awarded with 50%.

If anyone wants to claim a Bailiwick, Channel Islands or UK record then the fish will have to be brought back unless it's from a licensed boat.

Again photographic evidence will be required for measurement clarity in the absence of a witness.

Please also present photographic identification of the fish to the recorder
