## Gusto 8 Pro Touch Can & Bottle

Gusto 8 Pro Touch Can and Bottle is part of the new eight-spiral family with a touch interface version.

Beyond its innovations—like modular VisioShop trays and high energy efficiency—this model offers a simple, intuitive touch selection area. The screen makes product selection and info access easy. Users can browse offers and buy multiple beverages in one transaction, while operators can tailor the offering for each location.

It retains Gusto 8 Pro's elegant design with a black anodized aluminium cabinet and diamond-cut frame. Technological innovations, refined aesthetics, and an innovative touchscreen make it the top-performing solution for premium locations.

Evoca's optional remote telemetry package, giving you the ability to change the digital prices remotely and have access to sales data. Refrigeration is provided by a high efficiency three temperature zone cooling unit, offering a low energy consumption, at 847 kWh/per annum. With extensive insulation of the cabinet, L.E.D. lighting and an advanced energy management the Gusto 6 L has class leading energy rating of D, good for your wallet and the environment.

- The latest operating platform allows payment by contactless card or mobile phone
- Change prices and monitor performance using optional remote telemetry technology
- Class leading energy rating of D
- Gusto 8 Pro Touch has a total capacity of up to 464 items
- Temperature Cold drinks 8°-15°
- Footprint 1830mm (h) x 890mm (w) x 793mm (d)
- Weight 280Kg
