Crane Merchant Media Combination Snacks and Cold Drinks

Merchant Media was designed with the consumer in mind, enhancing their shopping experience by offering the largest product variety in the industry and a new intuitive interface. State-of-the-art features include a virtual shopping cart that users can fill with multiple items and pay in one simple transaction, nutritional information disclosure, and advertising and promotions capabilities. It's now even easier to integrate modern payment methods using optional MDB compatible systems, these allow customers to purchase using cash, notes, contactless debit cards or mobile phones. Merchant Media is Crane's most energy-efficient model, made from 78% recyclable materials with an option to make it carbon neutral for 5 years of life. Its stunning, modern design is sure to enhance any location.
