ConviCuisine FF36

For a twenty-four seven dining offering we have the bespoke “ConviCuisine” Frozen Food vendor, only available from us. Our cost-effective automated catering service can be fully managed by deploying our state of the art equipment. Our ConviCuisine vendor can offer up to 36 meal choices over 5 trays with up to 200 product capacity. The large and easy to read menu choices and importantly allergen information, are displayed on a brightly lit 50-inch touch screen menu. We have put plenty of sensible design features into this machine, such as disabled friendly interface that can be easily accessed by wheelchair users, as well as a conveniently sited ConviOven height in which to cook meals in minutes. We provide a delicious range of meals and snacks with CQUIN compliant products too.
The 50-inch digital screen displays prices and details which can be accesses remotely along with sales data. With extensive insulation of the cabinet, L.E.D. lighting and an advanced energy management the ConviCuisine FF36 has class leading energy consumption good for your wallet and the environment. The wealth of features are designed to aid increased sales, enhance user experience and simplify operating tasks.

Simple touch screen menu and clear information makes the ConviCuisine FF36 is easy to use.
The latest payment systems allow purchases by contactless card or mobile phone
