

Correspondence and Receipts...PO Box 552, Grafton, MA 015019

### **Adding Harvest-watch as a app short cut on your phone.**

**Note: to save password and email for login, you must enter it manually once. As you log in a prompt should show up asking to save password. Click save password.**

**Now every time you reach the login prompt, click on password box and select your saved password.**

#### **For iPhone.**

Go to the Safari app  on your iPhone.

1. Go to harvestwatch.iassys.com
2. Tap  in the menu bar.
3. Scroll down the list of options, then tap Add to Home Screen.

If you don't see Add to Home Screen, you can add it. Scroll down to the bottom of the list, tap Edit Actions, then tap  Add to Home Screen.

This app cant be moved to your desired location like you would with any other app.

#### **For Android.**

On your Android device, open Chrome .

1. Go to harvestwatch.iassys.com
2. To the right of the address bar, tap More  > Add to home screen > Create shortcut.
3. From the dialog that appears:
  - Rename: Select the default name for the shortcut or rename the shortcut.
4. Tap Add.
