I-KARATE GLOBAL
Inclusive Karate Federation ®

We are delighted to invite you to the

4TH OPEN SWEDISH INCLUSIVE KARATE CHAMPIONSHIP on

Saturday, 13th April 2024

This championship is an organisation of I-Karate GLOBAL. It is an open competition, and we expect many competitors from several continents.

Thanks to our unique competition system, even if one has little experience, one can participate at this championship. So, don't hesitate to register because 200 competitors is the limit for this competition.

Our previously organised competitions and championships have been a great success. So we expect to see the same enthusiasm and spirit at this competition.

In our mind, to participate is to win. A quote certainly valid for our Inclusive competitions. That's why every competitor receives a unique trophy at the end of the day. There are over 40 possible category's to inscribe! That means that one participant can inscribe for several disciplines kata-kata pairs-weapon-kata team.

New :“2 country pairs”

With “2 country pairs” we want to give Inclusion a boost so 2 Inclusive athletes from 2 different countries can perform a kata together.

Besides a sport challenge, this IKF (I-Karate Global) competition is also a social occasion for all ages, abilities and nationalities to meet and greet in a friendly environment.

Hope to meet you all in April!

BASIC RULES IKF

- 1 It is important to note that new levels in the Classifications will be created as each category attracts more participants.
- 2 You are obligated to have an IKF I-karate Global classification the day before the competition. You will be noticed on time when you or your country needs to show up for the classification, please be on time! **no classification is no entrée and no refund!**
- 3 **Classifications cannot be changed on the day of the competition.**
If you already been classified you don't have to sign up for classification on Friday only when you want to change according to your existing classification.
- 4 A category can be further categorized by age, gender or belt grade. A category needs to have enough competitors for a competition to be viable. The minimum of 3. If less than 3 than the athletes will be classified in a higher category that is suitable for them, according to the technical classifier.
- 5 Our experience has shown that both I-Kata and I-Kumite (not "pairs") should be performed consecutively to minimise waiting time and also to reduce organisation time.
- 6 The I-Kumite in the category is a sanbon or ippon kumite related to the disability, please inform yourself! In the pairs kumite the buddy will demonstrate 5 attacks together with the athlete, the athlete is free to block and counter attack. Points will be given for the realistic performance and choreography of both buddy and athlete.
- 7 Complains can be done at the table only by the official inscribed coach of the team.
 - The table will talk about the issue to the comfort referee who is responsible for that particular floor.
 - Together they make a decision, if no decision can be made the tournament head comfort referee will be involved and will take the final decision.
 - You have to understand that all disabled athletes are different, we try to do or utterly best to put them in the correct category. We apologize already if this is not the case because we don't do extra points for athletes who have more disabilities. We rely on the skills of or IKF judges.
Any bad behaviour, verbal or physical, by competitor, coach or spectators of a certain competitor to anybody of the organizing team (judge, tables, entrée, comfort referee) will result in exclusion, of the participant or even the whole team.
Please note: all styles are allowed, i.e. belts may sometimes are different which are high for us but low for another style group!

8 Changes:

- category 501-502 a obligated 2 kata and start with SHORIN 1ste round.
- category 504-505 kata only performing the four directions instead of mini kata.
- Kata's: RIN ICHI - RIN NI - RIN SAN - RIN YON
- New category: Pairs kata foreign, 2 I-athletes from different countries performing a kata free.

9 Points system: 5 referees give points, highest and lowest score are dropped. De other 3 points are added together. In case of a draw, the lowest point will be added first. The first competitor is going to be judged between 7.7 and 8.2 these points are then compared each time with each next competitor.

All IKF judges, IKF trainers and participants must have a valable IKF licence.
