

# PRIVACY STATEMENT

- eVisitor - official Croatian information system for tourist check-in and check-out

According to the current regulations of the Republic of Croatia, the provider of accommodation services in a catering facility registered for the provision of accommodation services (that is, a travel agency authorized by the provider of such services) is obliged to collect and enter the following personal data into the unique tourist registration and de-registration system, eVisitor data of the person using the accommodation service (guest/tourist):

- Surname and name
  - Place, country and date of birth
  - Citizenship
  - Type and number of identity document
  - Residence (residence) and address
  - sex
  - Date and time of arrival or departure from the facility
  - Basis for exemption from payment of residence tax or for reduction of payment of residence tax
- Our business partner; the company "eCheckin" is official and authorized to collect and process guest data in the eVisitor system.
  - We respect:
    - GDPR (General Data Protection Regulation)
    - Croatian law; "Act on Protection of Personal Data"
  - We collect and process guest data exclusively for the purpose of guest registration in the eVisitor system.
  - Access data will never be shared with third parties or individuals.
  - We store guest data only temporarily until the moment of registration in the eVisitor system, after registration we destroy it immediately.
  - Upon your request, we will send you an official eVisitor confirmation for your stay.

## TIP:

- If no one asks you for personal information during Check in on Croatian territory, there is a possibility of illegal renting witch can lead you to an unwanted situation.

Thank you
