

OFFICIAL INVITATION

Dear Mr. Mohammed Ali Humran

We are proud to organize the 5th time *Youth International Science Fair* which will be hold **Hybrid Competition** on **February 21st – 25th, 2025**. The finalist will be presenting their projects through live presentation in front of the judges. The event is a collaboration between *Indonesian Young Scientist Association (IYSA)* with *Fakultas Sastra Universitas Negeri Malang*, will hold an activity called *Youth International Science Fair 2025*. YISF can be one of the platform that provide opportunities for students to express themselves, deepen their talents and interests in the fields of innovation and invention.

On behalf of the organizing committee, we would like to invite your team to the *Youth International Science Fair 2025 Hybrid Competition* that will be held on **February 21st – 25th, 2025**. You can register directly on our website: www.yisf.or.id
