

THE KNIGHTLY NEWS COUNCIL #2269 MONTHLY NEWSLETTER

February 2026 Edition

It has been a busy month for our community, and we are thrilled to see so many Knights stepping up to lead in various capacities. Please join us in thanking and welcoming the following Knights who have volunteered: **Terry Brown** as food services co-chair, **Dennis Chassaniol** as Community Director, and **Gerry Prinster** as council treasurer.

Recent Successes & News

We are proud of the energy our members have brought to recent gatherings. Our **Superbowl Party** was a major success, and the **Mouse Races** on February 21st were incredibly well attended. Guests at the Mouse Races enjoyed cheering for their favorite mouse on the six-lane track and participating in various raffles. Most importantly, the proceeds from the Mouse Races are being dedicated to the maintenance and beautification of our hall.

In other news, we have installed **new TVs** in both the upper and lower halls. These screens will be used to promote upcoming events and provide information during our Fish Fries.

Charitable Impact

Our council continues to prioritize giving back to those in need. This month, we made the following contributions:

- **\$100 to Justin Delivers Hope:** This donation helps fund K9 police dog units as well as Narcan training and distribution.
- **\$100 to Maggie Welby Children's Foundation:** Specifically providing a sponsorship for their upcoming Trivia Night.

Join the Party: Queen of Hearts

Don't miss out on the **Queen of Hearts** party every Tuesday! We currently boast the highest jackpot in the area at **\$17,600**. Doors open at 5pm with the drawings held at 7pm. Come for the chance to win, and stay for the great food and drinks!
