

Classic Motorcycle Show

The Cairns Motorcycle Restorers Club and the local AMX Motorcycle Accessory Store on the corner of Mulgrave Road and Newell Street, across the road from DFO shopping centre, is inviting families, children and anyone interested in older motorcycles and motoring history to their annual show.

With a Coffee van on site, the AMX free Sausage sizzle, Shannons Insurance attending and a Club Raffle with great prizes, and many members of the Restorers Club to talk to, it will be loads of fun for the whole family.

The motorcycles on display range from the 1930s through to the early 1980s and there will be many other bikes around the store right through to current bikes. The manufacturers are as varied as the years with English, European, Japan and US, including BMW, Ducati, Triumph and Norton, Royal Enfield, Harley Davidson, Indian plus Kawasaki, Honda, Suzuki, Yamahas and many others.

The Cairns Motorcycle Restorers Club Inc. IA36694, formed in 1979, is a community of motorcycle enthusiasts dedicated to the restoration, preservation, riding and display of vintage motorcycles.
