

NANOOSE BAY PICKLEBALL CLUB

DROP-IN POLICY

April 20, 2025

Play during Club time is limited to Club Members, except as indicated below.

In the event there is an opening on a court during a Club play session, a Court Coordinator (or a member acting in their place) may, in their discretion, permit a non-member to play during the remainder of the session, provided the non-member provides the following:

- (a) some form of government-issued photo ID;
- (b) evidence that the player is a current paid-up member of Pickleball Canada (this is important so that insurance applies);
- (c) a signed Waiver in the Club's prescribed form (which can be found on the Club's website under "More" -- "Club Info" -- "Procedures, Policies & Forms"); and
- (d) payment of the Club's drop-in fee of \$5 per session (which should be forwarded to the Club's Treasurer, currently Roxanne Broadbent).
