

Kenya is a country in East Africa with beautiful coastline on the Indian Ocean. It encompasses savannah, lake lands, the dramatic Great Rift Valley and mountain highlands. It's also home to wildlife like elephants, rhinos, and big cats. From Nairobi, the capital, safaris visit the Maasai Mara Reserve, known for its annual wildebeest migrations, Samburu National Preserve, Ol'Pajeta, and Amboseli National Park, offering views of Tanzania's 5,895m Mt.
