

Looking to Acquire / Merge

Project Name: IRIS

Sector: Corporate Service Provider

A well-respected & successful corporate service provider looking to grow by acquisition or merger / JV.

KEY BUSINESS FEATURES

- Our client, a market leading corporate services provider (CSP) in Malta, is looking to grow its geographical footprint by acquisition or merger internationally.
- They are very well respected with 30 years of expertise and a great reputation.
- The business boasts a specialised and experienced team of 80+ professionals that offer bespoke advisory and support to reputable operators across industry sectors
- Services include assisting with legal, licensing and regulatory requirements to establish operations in Malta, real estate and obtaining other specialised licences.
- The firm is successfully navigating Covid and operations are continuing.

TARGETS

- Looking to expanding its successful platform internationally, our client is looking to acquire (or conduct a merger / JV) with CSP providers, both multi-national groups and single jurisdictions.
- The firm is run by entrepreneurs, a family owned and operated business with strong values and plans and ambitions for further growth that will benefit the right partner.
- Growth phase ahead executed by formidable team with the experience and track record to develop the business and generate substantial investment returns.
