

PRIVACY POLICY

Jiahe Energy Corp. (“Jiahe”) is committed to maintaining the confidentiality, security and accuracy of your Personal Information. Jiahe ’s Privacy Policy (the “Privacy Policy” or “Policy”) describes the information that Jiahe collects and why, how it may be used and to whom the information may be disclosed.

This policy is intended to meet or exceed Jiahe ’s privacy obligations arising under any applicable privacy legislation in all jurisdictions within which Jiahe operates. It is intended to guide Jiahe in managing its operations within the Fair Accounting Principles, as follows:

- Accountability
- Identifying purposes
- Consent
- Limiting collection
- Limiting use, disclosure, and retention
- Accuracy
- Safeguards
- Openness
- Individual access
- Challenging compliance

What is Personal Information?

For the purposes of this Privacy Policy:

“Personal Information” means information about an identifiable individual but does not include Business Contact Information. Personal Information may include your name, address, gender, date of birth, language preference, personal email address, home telephone number, or credit card information.

“Business Contact Information” means any information that is used for the purpose of communicating or facilitating communication with an individual in relation to their business or profession such as the individual’s name, position name or title, work address, work telephone number, work fax number or work email address.

What type of Personal Information does Jiahe collect, use or disclose?

Except where otherwise required or permitted by law, Jiahe will disclose the purpose(s) for which the personal information is being collected, used or disclosed in advance.

The type of information collected may include name, residential address, email address, personal phone number, Social Insurance Number, occupation, employment status, credit card information, bank account information, health information, and notes from meetings and discussions

Generally, Jiahe will collect Personal Information directly. If third parties hold required information, Jiahe will endeavor to ensure appropriate consent is obtained as applicable.

How will Jiahe use or disclose your Personal Information?

Jiahe may collect Personal Information to use or disclose for purposes related to managing and developing businesses and operations, including but not limited to:

- Establishing, managing and terminating business relations.
- Reviewing the products and services that Jiahe provides to you, or that you provide.
- To ensure payments can be made in accordance with agreements.
- For Emergency Response Plan purposes.
- For AER auditing purposes.
- Protecting Jiahe against error, fraud, theft and damage to Jiahe's goods and property.
- Tracking and analyzing trends and patterns related to Jiahe's businesses and operations for market research related purposes.
- Monitoring and updating its website.
- Complying with applicable law or regulatory requirements.
- Protecting Jiahe's rights and property.
- Protecting the safety of a person or a group of persons.
- Investigating security breaches or cooperating with government authorities.
- For additional purposes that may be identified at or before the time that the information is collected.
- Any other reasonable purpose to which you consent.

Jiahe will not disclose Personal Information for purposes other than those identified at or before the time of collection, except with your consent or as required or permitted by law.

Jiahe may disclose certain personal information to third party service providers and to affiliated entities for the above purposes. Prior to making any disclosure, Jiahe will take appropriate steps to ensure that such recipients safeguard the Personal Information, use the information only for authorized purposes and comply with applicable laws.

Consent

Requirements for consent to the collection, use, or disclosure of Personal Information vary. In determining whether consent is required and, if so, which form of consent is appropriate, Jiahe will consider both the sensitivity of the Personal Information at issue and the purpose(s) for which it will use or disclose the information. Consent may be express, implied or deemed.

By submitting Personal Information to Jiahe or its service providers and agents, you agree that the Company may collect, use or disclose such Personal Information in accordance with this policy or applicable law. Further, Jiahe may collect, use or disclose Personal Information without knowledge or consent where it is permitted or required to do so by applicable law or other regulatory requirements.

Refusal, changes or withdrawal of consent is possible any time, subject to legal or contractual restrictions and reasonable notice, by contacting Jiahe's Privacy Officer using the contact information set out below. In some circumstances, a refusal, change or withdrawal of consent may limit Jiahe's ability to provide products or services or acquire products or services, or fulfill other contractual obligations.

Safeguarding Personal Information

Jiahe will endeavor to safeguard Personal Information using methods that are appropriate to the sensitivity of the information. Specifically, Jiahe takes the following steps to safeguard any Personal Information that it collects:

- Protecting the confidentiality of all Personal Information when doing business internally or externally with other organizations.
- Protecting all Personal Information with appropriate and effective security safeguards, including physical, administrative, and technological safeguards, against such risks as loss or theft, unauthorized access, disclosure, copying, use or destruction, regardless of the format in which it is held.
- Retaining personal information only as long as necessary for the fulfilment of the identified purposes, or in accordance with law, and will maintain reasonable and systematic controls, schedules and practices for the retention and destruction of such information.

Accuracy of Personal Information

Personal information is kept as accurate, complete and current as appropriate. It is the responsibility of anyone disclosing Private Information to provide Jiahe with any changes in Personal Information so that appropriate records may be accurately maintained.

Any requests for Jiahe to correct an error or omission in Personal Information within its control can be made in writing. If Jiahe is satisfied that a correction should be made, it will amend the information as requested and, where appropriate, will send the corrected information to the third parties to which it has disclosed that information.

Accessing Your Personal Information

Requests for access to Personal Information and information regarding the collection, use and disclosure of that Personal Information, as well as requests to review, verify or correct Personal Information can be made by contacting Jiahe's Privacy Officer using the contact information set out below. All such communications must be in writing.

When making an access request, Jiahe may require specific information from you to confirm your identity and right to access, as well as to search for, and provide you with, the Personal Information that it holds about you. Jiahe may charge you a fee to access your Personal Information and will advise you of any such fee in advance. If you need help in preparing your request, please contact the Privacy Officer.

Jiahe may not be able to provide access in situations where such refusal is permitted or required by applicable law or regulatory requirements. In such cases, Jiahe will release the reasons why, subject to any legal or regulatory restrictions, access has been denied.

Handling Complaints

Questions or concerns about this Privacy Policy can be directed to Jiahe's Privacy Officer. Jiahe maintains procedures to receive and investigate complaints and complainants will be advised of the results of any such investigation.
