We are continuing our Raise Right fundraiser. We will also be having a Panda Express online fundraiser. This is a nationwide fundraiser, so please share the link. It has been posted to Band. It is on **September 25th**.

Youth shirts were hung up for sale at the gym for \$25

Congratulations to our last month winners of the gift card drawings! You will also have a second chance to win! Whoever makes the most money through Raise Right will get a prize!

Ongoing fundraisers include the Fry's card fundraiser. So please don't forget to link your card with the booster club.

We have also gotten \$750 in Sponsorships and another \$100 donation! Keep up the good work and lets keep going!

We will be starting to make the booster club shirts as well.
