Sub : Procedure for Departmental execution of work .

Madam/Sir,

In inviting reference to the subject cited above, I am to say that complaints from various quarters have been received regarding deduction of Security deposit at the Block or GP level from the works Bills in case of Departmentally related execution of works . It is clarified that only in the works executed through OPWD Code by following due Tender process, Security Deposit may be deducted from the Works bill and in no case deduction of Security Deposit be made, specifically in Departmentally executed works at PanchayatSamiti or Gram Panchayat level.

This should be scrupulously followed .

Yours faithfully,

G. Patra
