Early Childhood Educator's Day

Wednesday 4th September is Early Childhood Educator's Day. It is celebrated by all Centres across the country and is a great day to remind our Educators of what an awesome job they do. They work hard and tirelessly to provide education and care for all the children at Little Taddies and I am sure that you will agree that we appreciate them more than they know.

Please let them know!!

Adding and Swapping Days

As you can see from the little availability at the Centre at the moment, we are very busy and full on most days. I will do my best to accommodate the needs of each family as the need arises.

If your child is going to be absent from the Centre, please let us know as soon as possible, as there may be a family waiting for a space.

Another reminder also, that for holiday cancelations, you must give me two weeks' notice so that you will not be charged. You are only able to cancel for holidays without charge once each term, and it must be for an extended period not just odd day.

If you have a permanent booking and your child is absent, the normal fee will apply, this includes sick days and public holidays.
