MARKET ANALYSIS

For the week ended on 06th June 2025

MARKET MOMENTUM

Nifty technical momentum is very good due to positive news from RBI

Bank nifty crossed all-time high.

Nifty also crossed strong supply zone of 24900.

For the week ended on 6th June 2025

RBI POLICY

RBI came out with big bonanza gift for stock market investor.

Rate cut is announced by 0.50%

This is very much beneficial to rate sensitives and retail as home loans will now be cheaper.

RBI has also cut the CRR as well by 1%

CRR cut will pump in the liquidity in the market by say Rs. 2.5 Lacs Cr.

For the week ended on 6th June 2025

STRATEGY FOR NEXT WEEK

Nifty strong support zone is 24900.

Strong resistance is at 25200-25250.

Buy at support and sell at resistance - very simple one. Wait for levels and then make entry - Even same applies to stocks.

For the week ended on 6th June 2025

SECTOR IN FOCUS

Best sectors to focus on are

- 1) Banking
- 2) NBFC
- 3) Auto
- 4) Power
