An **Advanced Level Certificate** indicates that the person listed below has passed a Certification Test intended for master's and doctoral students. The person below has passed a test by correctly answering at least 9 out of 10 questions selected randomly from a large inventory. Each question provides source material from another author and a sample of student writing. The test taker must determine whether the student version is word-for-word plagiarism, paraphrasing plagiarism, or not plagiarism. Many questions exemplify subtle forms of plagiarism which represent incomplete or incorrect understanding of plagiarism, carelessness, or attempts to disguise actual plagiarism.

Please read the information below carefully. You can submit this confirmation certificate to your academic department or program area, or to your instructor, if required to do so.

I have studied the pages of the "How to Recognize Plagiarism" tutorial site. After doing so, I have taken the test available on the site. I am confident that I know what plagiarism is and how to avoid it. If I had questions after finishing the tutorial, this document confirms that I have sought help from my academic advisor and I do now understand what plagiarism is and how to avoid it.
